The image shows a screenshot of a Java Swing window titled "BEAN GRINDER". The window has a standard Mac OS-style title bar with a coffee cup icon, a minimize button, a maximize button, and a close button. The main content area contains three text input fields for database configuration: "DATABASE URL:" with the value "jdbc:oracle:thin:@spock:1521:ilgold", "DATABASE USER:" with the value "infolink", and "DATABASE PASSWORD:" with the value "infolink". Below these fields is a button labeled "REFRESH SELECTION LIST". At the bottom of the window is a tabbed interface with four tabs: "PACKAGE INFO", "DATABASE INFO", "EJB JAR", and "SILVER STREAM". The "PACKAGE INFO" tab is currently selected. An "EXIT" button is located in the top right corner of the window.

The image shows a graphical user interface window titled "BEAN GRINDER". The window has a standard Windows-style title bar with a coffee cup icon, a menu bar, and window control buttons. Below the title bar, there is a header area with the text "BEAN GRINDER" on the left and an "EXIT" button on the right. The main area of the window contains three configuration fields, each with a label and a text input box:

- SILVERSTREAM TARGET SERVER:
- SILVERSTREAM TARGET DATABASE:
- SILVERSTREAM INSTALLED HOME:

At the bottom of the window, there is a tabbed interface with four tabs: "PACKAGE INFO", "DATABASE INFO", "EJB JAR", and "SILVER STREAM". The "PACKAGE INFO" tab is currently selected and highlighted.
